

Educational Trips and Visits

Coronavirus

With the current restrictions placed on schools and the wider community due to the Coronavirus, we cannot offer our usual programme of trips and visits some of which are outlined below. We will continue to follow Government guidelines concerning trips and visits and hope to resume our usual programme as soon as possible.

It is a fundamental belief at Langtree that learning takes place just as much outside the classroom as within, and students have the opportunity to participate in a wide range of residential visits and day trips during their five years in the school. Residential visits include Youlbury camp for Year 7, the Year 8 French visit, a History trip to Auschwitz in Poland (every other year), outdoor education at Yenworthy or Kilvrough, and an annual ski trip. There is also a Key Stage 3 reward trip to Yenworthy Lodge for a weekend of watersports.

Various one day visits are organised regularly by staff. These vary from year to year. At Langtree, we believe that such activities provide students with the valuable opportunities to not only learn, but develop friendships, self-esteem, leadership skills and broaden their horizons away from the school environment in the 'outdoor' classroom.

Usual Trips

To help plan finances over the years here is a current list of trips that are on offer at Langtree. This list can change, but our website should inform you of the most up to date changes.

Name of Trip	KS3 Watersports weekend
Term	May
Rough Cost	£175.00
Name of Trip	Enrichment week
Term	Curriculum Enrichment Week June
Rough Cost	£35.00

Creativity Days

In addition to a very rich offer of trips and visits throughout a student's career at Langtree, we also suspend the published timetable for two days each year to run Creativity Days. During these days students are offered a very wide range of very different learning experiences, either in school or off site, which provide opportunities for students to engage in problem solving activities, creative thinking and develop their interpersonal skills working collaboratively in small groups. Full details of each day will be given well in advance and although we try to subsidise these as heavily as we can, please note we may ask for a voluntary contribution to enable us to run these kinds of events.
