

Dear Parent/ Carer

I am writing to let you know about some important dates for the forthcoming year 8 PGL residential trip.

**Parents Information Meeting Wednesday 8th June at 6pm**

I would like to invite you to a parents' meeting in the hall at Langtree on **Wednesday 8<sup>th</sup> June at 6pm**. This will be an opportunity for you to find out more about the visit and ask any questions you may have. Students are welcome at this meeting but it is not necessary for them to attend as we will have a separate meeting with them in school.

**Medical Forms by Friday 27th May 2022**

Please complete a [medical and consent form](#) for your child by clicking on the link. It is important that we get accurate information about any illnesses, dietary requirements or medical conditions. I would very much appreciate prompt completion of this form **by Friday 27 May 2022** as we need to collate all the information, complete risk assessments and contact PGL with dietary requirements. The parent's meeting will be a chance to discuss any concerns you may have regarding your child's medical or dietary requirements.

**Kit List**

Please have a look at the [PGL kit list](#). We will discuss this in more detail at the parents meeting.

**PGL Parent Guide and Insurance Cover**

You can find more information on PGL trips in the [PGL parent guide](#) and details of [PGL insurance cover for schools](#).
