Registering your son/daughter on this trip represents a commitment that they will take part in this trip. Trips require extensive planning, organisation and careful costing based on the number of students participating. It is not therefore possible for students to withdraw from a trip having previously made a commitment to take part. The school reserves the right to withdraw students from a trip when there are concerns about behaviour, attendance or attitude. All monies paid are on a non-refundable basis as long as the trip goes ahead.

All trips and visits involving students from Langtree School are always planned and risk assessed extremely carefully, in order to ensure the highest level of safety for our students as we possibly can. I am keen to assure you that we have reviewed our travel plans and procedures in detail, in order to safeguard our students as far as we are able to do so. A copy of our revised Risk Assessment for this trip is available on request.

While we will continue to offer learning in 'the outdoor classroom' as we always have done so at Langtree, I would want to assure parents that we have reviewed all of our arrangements accordingly and that we will do everything in our control to ensure that all students participating on a trip can do so with a sense of safety, confidence and enjoyment.

Students will travel to and from Swanage by Linkrider coaches. Students will need to bring a packed lunch with them to eat on Monday 7th November.
