Langtree is a heavily oversubscribed 11-16 school. We are located in the South Oxfordshire countryside, in an area of outstanding natural beauty, between Oxford and Reading. Academic results are outstanding across the school. Ofsted state that behaviour within the school is outstanding.

The school currently teaches French and Spanish. Students in year 7 have half a year of each language, allowing them to make an informed, but guided, decision about which language they study in year 8 and 9. Language is an option subject for GCSE and we have been successful in recent years in encouraging more students to opt for a language at KS4, we are keen to ensure this trend continues.

The post is available from January 2023, however we recognise that candidates currently in post would not be able to start then and are keen to employ the best candidate even if they cannot start immediately.
