Dear Parent / Carer,

RE: KS3 SCIENCE REVISION GUIDES

In order to support your child's learning and progress there is a KS3 Science Revision Guide we are recommending for year 7 students. The guide covers the entire KS3 course (year 7 and 8 study) and is a useful resource for homework tasks and consolidation before the end of module tests. The cost of this revision guide is £10.99 and the link to purchase it new direct from the publisher CGP is [here](#).

There are of course other ways to get hold of this book - you may get a better deal on Amazon so it is worth shopping around. If you have an older child at Langtree then you will probably already have this book.

If your child is entitled to the Pupil Premium Grant their book will be issued by the school.

Any questions, please feel free to get in touch - msmith@langtreeschool.com

Yours sincerely

Mr M Smith

Head of Science
