

DRAMA HAIR STYLE

Unless told please do not come in with products already in hair.

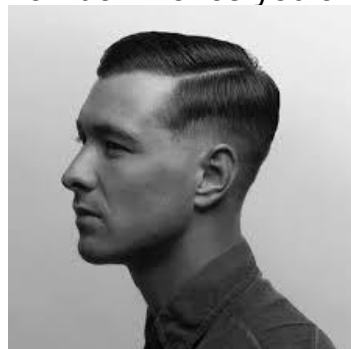

This document has been prepared by our Year 10 Hair and Make-up department leads. Thank you to Chloe and Elin for your excellent work!

For the Girlz: Would you please try and curl/wave your hair (from your ears down) before you come to school for the shows. Then at school we will provide you with a flapper girl headpiece. If this is not possible we will be able to curl your hair at school before the show.

For Dandy Dan's gang and Dandy Dan: can you please come in with your hair middle parted and if you have long hair in a low ponytail. When you are at school we will then put all ponytails into identical buns.

For Diners: if you have long hair please come into school with it down and we will provide you with a headpiece. If you have short hair please come in with a side parting so we can then slick your hair down once you are at school.

For fat sam's gang, Fat Sam , Buggy : please come in with hair down ready for us to style

If you have any questions please email:
