

Dear Parents/Carers,

Langtree School music lessons with visiting music teachers and music department information.

At Langtree we are proud that we are able to offer a wide range of instrumental and vocal lessons through a number of teachers and agencies. This presents students a fantastic opportunity to further develop their learning, outside of regular classroom lessons. The lessons are available to all students in every year group. The majority of lessons take place within the school day, and we have an instrument store room available for students to use.

The method of booking has been updated to give parents quicker access: under the 'Parents' menu on the main Langtree website there is now access to the 'Music Department and Music Lessons' page. Here you can find out contact/booking details for our visiting music teachers.

Many of the visiting teachers are happy to provide trial lessons/trial periods before committing to a longer period of tuition and they will be happy to discuss further with you.

The link to this page is here: <https://langtreeschool.com/music/>

I would also like to extend an open invitation to Langtree School Orchestra for any students who learn an Orchestral instrument (or wider Wind and Brass instruments). We rehearse on Mondays after school until 4:30 pm in the music room.

All students are invited to Choir with usual rehearsals on Monday Lunchtimes from 1:30-1:55 pm in the music room.

Thank you for your continued support, if you have any questions I will be happy to answer them via email.

Yours sincerely,

B Bradley
Head of music
