

7th October 2024

Dear Parent/Carer,

The school has organised a successful trip to France for our year 8 pupils for many years and we are keen to give the Y8 class of 2024-25 the same opportunity. We are looking into the viability of being able to run this trip during Activities Week (14-18 July 2025). We are hoping to be able to offer the following activities (subject to availability/cost/numbers):

- The Opal Coast, Nausicaa in Boulogne (biggest aquarium in Europe)
- Mont Saint Michel
- Honfleur (visit to a biscuit maker)
- Bagatelle Theme Park
- Tour of Cancale, Dinan, St Malo and Honfleur
- zipline and aerial adventure park near St Malo

Please complete the form [here](#) to indicate if your child would like a place on this trip. This will allow us to more accurately assess whether the trip can be run, the number of places required, staffing and costs.

In order to facilitate further planning, I kindly request that the form is completed by **the 14th of October 2024**. At this time, it is anticipated that the cost of the trip will be approximately **£610** per pupil which includes Return travel by Executive Coach with DVD, WC and Air-conditioning and Ferry / Full Board 4 nights Accommodation / All applicable entrance fees / Pupils in multi-bedded rooms from 2 bedded to 8 bedded rooms.

If the trip is viable to proceed, an initial deposit would be required at the latest by the end of October 2024 .

There will be a maximum of 57 places available on the trip.

Yours sincerely
Mrs S Cordillet
Trip Leader
