Dear Parents / Carers

Update to PE uniform: Skorts

We recently communicated to you a change in our guidelines for our PE uniform. We removed the option for students to purchase a skort. The reason for this was that some students were wearing skorts that were far too short. However, after listening to the student council and student voice we would like to give the students an opportunity to put this right. We have decided the following:

The Trutex Skort will be banned for all students. If you want to purchase a Skort for your child, you will have to do this through SWI Banner. This is an optional alternative to PE shorts. Our new Year 7 intake will not have the option to wear Skorts.

All students should wear skorts that fit appropriately. If not, they will be placed in a uniform detention and we would ask parents to purchase new skorts/ shorts at their earliest convenience.

If students are wearing Trutex skorts, they will be asked to change into a second hand pair of shorts / Banner skorts if they are available and they will be put in detention.

We will review our uniform policy at the end of next academic year.

Kind regards

Ms Burman
Deputy Headteacher

Ms Lackey
Head of PE
