Dear Parents/carers,

The staff, governors and children have been discussing our school and what makes Whitburn Village Primary so special.

One of the important things was our uniform and how it gave the children an identity and a sense of pride. With this in mind, we are writing to clarify our uniform.

From September 2019, we want to ensure everyone wears our school uniform. We thought by writing to you now, this will give parents/carers time to buy the correct uniform if needed for September.

- Navy blue sweatshirt or cardigan with or without school logo
- White/blue polo shirt
- Grey/black or navy trousers/skirts/pinafores/shorts
- Black/grey tights/leggings can be worn under skirts/pinafores
- Blue checked dresses
- Black school shoes. Trainer type shoes will be accepted but only if they are all black, no flashes or stripes.
- No jewellery except a watch - which should be not be an Apple watch or similar
- Children having their ears pierced should coincide with the start of the summer holidays so they can be removed in September
- No make-up, false tan, acrylic nails or nail varnish is allowed
- No hair colouring or extreme hair styles( i.e. partially shaved with designs)

For PE

- White/blue plain t-shirt with or without logo
- Navy/black jogging bottoms/shorts/leggings
- Navy/black hoody with school logo or plain
- Trainers or plimsolls

Uniform with logos can be purchased from [www.totstoteams.co.uk](http://www.totstoteams.co.uk)  
All other items can be purchased from major supermarkets and shops.

**Please ensure all items are labelled with the children's name.**

We will ring parents of children who arrive at school without correct uniform so that correct uniform can be brought into school.

Thank you for your continuing support to maintain our high standards at Whitburn Village Primary.

Kind Regards

Alison Burden  
Executive head teacher
