History

We are continuing our learning about what life would have been like when the queen came to the throne in 1953.

Investigate what you would have done after school if you had lived in 1953. See Google Classroom for resources to help you with your investigation.

You can record what you have learnt by drawing a picture of the different

	things children would do after school and write sentences about them.
Art	Draw and design your own flag that the queen could fly from her palace. See Google Classroom for a template.
