

Working at Home Year 2 Week beginning 13.7.20	
English	<p>This week I would like you to think about your time in Year 2 and make a <u>big poster</u> showing Mrs Brooks and I all of the things you have enjoyed.</p> <p>You can draw pictures and write sentences on your poster. Make sure it is as colourful as possible.</p> <p>Think to think about:</p> <ul style="list-style-type: none">The children in your classYour favourite lessonsWhat you have enjoyed learning aboutYour favourite school tripYour favourite school dinnerThe games you have played on the yardYour favourite Year 2 moment
Maths	<p>Complete the maths activity book by working through all of the different maths challenges. Please see Google Classroom for the maths activity book.</p>
Geography	<p>This week think about everything you have learnt about the seaside and create a piece of work which shows me everything that you have learnt. You can do this by making a model, a video recording or a booklet. You may even think of a different way to show me what you have learnt.</p>
Art	<p>We are going to try sketching someone in our family this week. Choose someone in your family to sketch their portrait. Try to focus on just their face and neck in order to add lots of details to your drawing. You can colour this in lightly when you are finished your drawing.</p>
