Phonics, Literacy and Story	Maths	Personal, Social, Emotional Development/UW	EAD	Physical/Communication and Language

Working at Home Nursery WB: 6.7.2020 Handa's Surprise

In Nursery we follow the Development Matters Framework for learning. We use the steps of development to help us plan activities for the children. Here are some suggestions of activities you could do based on those seven areas.

Personal, Social, Emotional Development/UW	Where does it come from? <i>(Explains own knowledge and understanding, and asks appropriate questions of others.)</i> https://www.youtube.com/watch?v=CdPRZ3wiCXA https://www.independent.co.uk/life-style/food-and-drink/vegetables-fruits-where-grown-avocado-sweet-potato-courgette-iceberg-lettuce-a8765291.html	Handa has lots of different fruits in her basket but do you know where they come from? You will need a grown-up to help you to find out where in the world different fruits and vegetables grow. See what you can find out from watching the little video and doing some research.
Story/Literacy	Handa's Surprise <i>(Enjoys an increasing range of books.)</i> https://www.youtube.com/watch?v=QqdXBhyORug	This week our story is Handa's Surprise. Do you know where the story is set? What is your favourite fruit?
Phonics	Listening game https://www.youtube.com/watch?v=h0Kp_J9kvNM https://www.youtube.com/watch?v=yT8uige58jc	Today's challenge is a listening game. You will need to ask an adult to help you. Click the link below and sit where you can't see the screen. You need to sit still and listen carefully. You will hear some familiar sounds. Can you name them without looking? Have fun and no cheating!
Maths	Weighing and measuring <i>(Orders two items by weight or capacity.)</i>	Today I want you to weigh some items. Weight is all about how heavy or light something is. For example a brick is heavy and a feather is light. Ask a grown-up if they have any kitchen scales you can use and find some fruits and vegetables. Weigh each item. Have a look at the numbers on the scales. The bigger then number the heavier the item. Put your items in order of lightest to heaviest
EAD	Drawing fruit <i>(Create simple representations of events, people and objects.)</i>	What is your favourite fruit? Find a piece of fruit in your house. Cut it open and look closely at what it looks like inside. Notice the shapes and colours. Have a go at drawing the piece of fruit.
Physical/Communication and Language	Making a salad <i>(Handles tools, objects, construction and malleable materials safely and with increasing control.)</i>	Fruits and vegetables are so yummy to eat and are very healthy for you. You need to have five portions of fruits and vegetables every day. Ask a grown up if you can help them in the kitchen to make a salad. It could be a vegetable salad or a fruit salad. Ask if you can help to wash, peel and chop the fruits or vegetables. Be careful and mind your fingers.

	Monday	Tuesday	Wednesday	Thursday	Friday
Writing area	Cutting skills	Writing names	M a s d tracing	Colour by numbers	Tracing animal tracks
Creative	Collage	Shape printing	Finger printing	Different brushes	Free choice
Playdough	Printing patterns	Shape cutters	Playdough mats	Snipping playdough	Free choice
Construction	Lego	Mobilo	Duplo	Stickle bricks	Wooden blocks
Fine motor	Nuts and bolts	Numicon	jigsaws	Pegs and boards	Loom band counting
Maths table	Counting animals	Ordering numbers	Matching numicon	Tracing numbers	Sorting animals
Small world	Trains/garage	Trains/animals	Trains/people	Trains/dinosaurs	Trains/cars
