

Autumn term 1- Nursery

We have had a lovely first half term in Nursery. We have spent a lot of time outside. We have all worked super hard and kept ourselves very busy. We are all getting along great, making friends and playing together nicely.

We love jumping up and down in muddy puddles. We even make our own if it hasn't been raining.

We enjoy climbing and sliding as well as running and jumping.

We have even had our first go at campfire cooking. Our jacket potatoes were lovely.

We love playing 'house' copying what we see our grown-ups do.

We have made some BIG messes but we are all getting better at tidying up.

...Most of all we have just had loads of FUN!

We are really looking forward to seeing what next term brings.
