

## **Year 3 Autumn 2 2020**

In English, we have planned and written stories about Winnie the witch. We enjoyed writing postcards. We have explored extending sentences using commas and conjunctions. It was funny reading about The Hairy Fairy trying to find a job!

In Maths, we have been learning the x4 and x8 times tables. We have practised adding and subtracting mentally in 1s, 10s and 100s. We enjoy talking and reasoning in maths. We made 3D shapes from nets.

In Science, we have found out that Usain Bolt was the fastest runner in the world. He uses his muscles and joints and the children worked with the sports coach to explore this.

In History we learned about cavemen and how they used animal skins to make clothes. We enjoyed reading stories about the Stone Age.

We have explored the meaning of Advent in RE.

### **What is coming up?**

English: Myths and legends

Maths: Maths through stories, x3 and x6 times tables, Fractions

Science: Are magnets attractive?

Geography: What makes the Earth angry?

RE: What can we learn about Christian symbols?
