

## Spring term - Nursery

This term the children have been brilliant at keeping themselves busy and finding lots of new things to do.

We have done lots and lots of cooking from biscuits to porridge to wobbly jelly!

We have found lots of things out in our investigation area from making bubbles to melting ice.

Our construction work has been amazing and we are great at team work!

We have enjoyed solving problems which has helped us to be independent.

Our number work is fantastic. Not only do we recognise our numbers up to ten but we can also count the right objects out.

We like nothing more than mark making on a BIG scale.

We have lots more to learn next term and can't wait to plant our vegetables and watch them grow. Have a happy Easter and we will see you all soon.
