

RECEPTION SUMMER 2

Our last half term has been very successful. The children have worked hard and they continue to develop their learning. Our reading, writing and number skills are greatly improved and we have been so happy in our lessons.

History week was a great success; the children learnt about a home in the past and coal mining in the past. They really LOVED making toast using a toasting fork around the campfire.

Sports day was an event to remember- the children all tried their very best and worked so hard.

It was also lots of FUN!

RECEPTION SUMMER 2

We also enjoyed our Football Friday and everyone joined in with the spirit of the game.
