

Summer term 2- Nursery

The last half term is always the busiest and this one has been no exception.

We have enjoyed playing lots of games together, taking turns and sharing the toys.

Our chocolate orange cakes cooked on the fire pit were delicious!

The mud kitchen was well used this half term. We made cakes, mud pies and picnics. Sometimes while we were dressed up.

When the big yard was quiet we were able to get the bikes out and have races with our friends.

We enjoyed looking at books and reading lots of stories.

To celebrate the final of the Euros we have a game of football. We scored lots of goals.

We have had so much fun this year and can't believe it has passed by so quickly. Have a lovely summer break you all deserve it.
