

## Autumn 2

The children love our campfires. We all wrapped up warm and enjoyed toast and hot chocolate.

The children enjoyed finding out about Diwali. They made their own candle holders and had colourful patterns painted on their hands.

The children had lots of fun during World Nursery Rhyme Week. They have enjoyed singing Incy Wincy spider, Wind the Bobbin, Down in the Jungle, Sleeping bunnies and Head, Shoulders, Knees and Toes. They loved playing their

instruments and taking part in various crafts linked to the songs.

This half term, we have been reading lots of traditional tales. The children were very good at retelling the stories using puppets. They enjoyed making their own gingerbread men and trying porridge just like Goldilocks. We made a pictogram to show who liked the porridge.

Remembering the soldiers and brave people with our poppies.

The term ended with lots of Christmas fun. We had a visit from the Elf who brought lots of Christmas stories for the children to enjoy. They made their own Christmas cake, decorated a candle holder and used lots of glitter to make their Christmas crafts sparkly.

The children worked really hard to learn lots of songs and actions for the Nativity and performed them brilliantly. We hope you enjoyed watching it and wish you all a Merry Christmas.
