

Knitvity Sheep Trail 2024

Shaun is helping Mary and Joseph get ready for Jesus' birth-day. There is lots to do and he could really do with some help from the rest of the flock but they have wandered off. Can you help Shaun find them all.

You can help find the sheep by visiting the shops and buildings below. When you find a sheep write its name in the space. If you are having trouble finding any of the sheep, why not ask someone to give you a clue.

1. De Georgio Butcher has a sheep named..... Shaun.....

So, every correctly completed answer sheet will get a small prize. Just fill in your details below and leave this flyer at the school office by the end of term, or pop it through the letter box for Whitburn Methodist Church (that's the grey door by the steps) by 24 December.
