

Nursery Spring 1

Another half term has flown by in Nursery! We have welcomed our new friends, and everyone has adapted brilliantly, exploring and discovering our environment together.

The winter weather has been a great opportunity for us to discover the effects of seasonal changes, enjoying the experience of ice and snow. 'Little Movers' with Toni has been lots of fun and we are getting more confident with our moving and dancing.

During our adventures on Muddy Mondays, we have encountered a horse and made trips to the park, familiarizing ourselves with our local surroundings. We had so much fun celebrating Chinese New Year. Miss Ho's dad and Leila's grandad kindly joined us to demonstrate how to cook noodles. We had a delightful time using chopsticks to taste the noodles with sauce and prawn crackers, as well as trying a traditional new year fruit- the pomelo.

Nursery were thrilled to take part in the EYFS Superhero Megasport Festival dressed up as our favourite characters. Robyn and Lesley from Nissan came into school to talk about some jobs at Nissan and we worked in a team to construct our own Lego car.

To highlight the importance of well-being, we celebrated Children's Mental Health Week with a special visit from Ada's mam, a nurse that helps people with their brains and how they feel. Charlotte explained to us that it's ok to feel sad and angry sometimes and showed us some breathing exercises to do when we have those feelings to help our bodies and brains.

What a busy and exciting time it has been - now we are ready for a little rest! We can't wait to be back for more fun and adventures!
