

# I'm a Little Alien Song

(Sing to the tune of 'I'm a Little Teapot'.)

I'm a little alien,  
Blue and green.  
Coming to see earth,  
Mustn't be seen!  
Always looking for pants,  
I'm so keen!  
You can always tell where we've been!

I'm a little alien,  
Bright yellow.  
I like to steal pants,  
Didn't you know?  
But you'll never see us,  
We won't show.  
Grab the pants and then off we go!

I'm a little alien,  
Red and blue.  
What do we look for?  
Here is a clue:  
Every day you wear them,  
Yes, it's true!  
We will take all your pants from you!
