Return to School Summer Term 2020

We were pleased that we were able to offer the opportunity to all children across the school to spend some time in school before the start of the summer holidays.

Returning to School in September 2020

The experience of a Pandemic is not an easy one. The government are predicting that all children will be returning to school in September and we are preparing for this to happen. We are currently planning how we will support the children when they return to school both academically and socially and emotionally.

During the holidays please stay alert for notifications regarding returning to school dates sent via parent mail and or the school app.

We are anticipating that school will reopen for children on Wednesday 9th September

Home Learning

Well done for all of you who have coped so well with home learning. It is definitely not a small thing to teach your own children or to be taught by your parents. So for this we salute you all!

With more children in school home learning on the blogs will be reduced. On your blog you will have a home learning grid providing a range of on-line resources for you to access. There will also be another home school learning pack available for you to pick up from the school office together with a summer holiday booklet for the children to complete over the summer holiday. Packs will be available to be collected from Monday 29th June.

School Reports

School reports will be sent out to parents via email on Thursday 9th July. Accompanying your report will be a letter which includes information on your child's class teacher next year.

Due to Covid -19 there will not be any end of year assessments this year and no nationally reported data.
