

## Information for parents/carers on St Anne's Harvest Celebration Autumn 2020

Every year at St Anne's we celebrate Harvest with a special Church service, the children lead the service and bring in donations of dried and tinned foods for our linked charity 'The Ace of Clubs'. This year our Harvest celebration will look a little different as we are unable to visit the Church. Full details will be sent out on our school app and to your class emails closer to the time.

This year The Ace of Clubs are celebrating their 25<sup>th</sup> anniversary, the children will learn more about this charity in their class collective worship. Please see a link below to the charity website.

We will still be collecting donations for The Ace of Clubs this year, it is even more important to support this charity during the current situation. When donations come into school they will be quarantined to comply with current COVID guidelines.

**We will be able to receive donations from Monday 21<sup>st</sup> September until Wednesday 30<sup>th</sup> September** (this will allow enough time for quarantine before donations are delivered) please hand in your donations at the school gate in the morning or afternoon, please do not put donations in your child's book bags.

Thank You
