May 12<sup>th</sup> April 2021

Our Value for April is forgiveness and our value for May is Compassion

Dear Parents it is so exciting that soon we will be able to go back to some kind of pre COVID normality. We are following the government guidelines to ensure that the school is COVID safe. Gradually as the government allow us more freedom we will be able to make changes in the school.

## Clubs

Due to COVID restrictions, we are permitted to only to run outdoor-based clubs preferably in bubbles. Therefore, as outdoor clubs are dependent on good weather we are currently only able to offer football club this half term.

As outdoor clubs are very dependent on good weather we are not planning on starting any more until next half term when the forecast is more settled.

All other clubs are still on hold for the time being. As the lock down eases, we will look to start up more clubs as the guidance allows.

## Walk to School Week Week beginning 17<sup>th</sup> May

Please take that extra effort not travel to school in your car next week. If you have to travel by car please park further away from the school.

we are asking all parents to refrain from driving up to the school. The children have been learning about how much more polluted the street is at drop off and pick up. Also many parents are doing 3 point turns outside the school and this makes more pollution and can pose health and safety risks.

**Thank you for your support**
