

St. Anne's News

14th September 2021

Our Value for September is Thankfulness.

'Always be thankful, 1
Thessalonians 5.16'

We are all very thankful to be back at school this autumn term and able to join as a community with no bubbles!

We are taking the next steps of COVID carefully and with this in mind, we want to reduce face-to-face contact as much as possible. Therefore, we will not have our usual meet the teacher evening this autumn term.

Meet the teacher will be taking place via Zoom this year on the 22nd September. You will be sent the link invitation via email. The teachers will talk you through information relevant to your child's class.

We have a number of ways in which we can communicate. Please pass any urgent messages via the school office either by phone or email. The office will pass all messages onto the teachers promptly.

Any quick messages can be passed to the class teacher directly at the end of the day.

The class teachers will send information relating to the class via email.

Other information will be sent via the school app. Please check the app and your emails for news and updates.

As much as possible we are a paperless school.

Bring a donation and wear your jeans to school on Friday 17th September to support research into genetic disorders

It is estimated that there are around 6,000 life-altering genetic disorders. Some genetic disorders are apparent at birth while others are diagnosed at different stages throughout childhood, adolescence and sometimes into adulthood having a devastating impact on individuals and their families.
