KEBLE PREPARATORY SCHOOL – SUMMER TERM 2021

Dear Parents, Carers & Children,

We are delighted to be back this Summer term and are looking forward to seeing all of the children.

Here at Smart Play we are currently focusing strongly on mental health and helping to build on the children's social, emotional and physical skills that have been affected due to the pandemic. Playing sport together or engaging in creative activities is a fantastic way to help start rebuilding these lifelong foundations.

We deliver our programmes through a relaxed, fun and educational environment which encourages children to make mistakes, understand that this is part of life, learn from the experience, whilst all the time having a nurturing and great time.

Many of us are also parents and understand the desire to provide the best we can for all children. With such a combination of experience we have created some truly unique fun filled programmes that have helped children reach their full potential and be the best they can be.

Enclosed are details of the after-school activity programme and how to book. Should you have any questions about the activities, please do not hesitate to contact us on 07746 039369 or at info@smart-play.co.uk. Alternatively, please check out our website www.smart-play.co.uk for further details.

Multi-Sports & Smart Games (Years 1 - 4)

The Multi-Sports & Smart Games club is about introducing your child to a range of new activities and sports. Throughout the course, we will be working on building fundamental skills which they can take into many areas of their lives.

We deliver our classes in a fun, relaxed and safe environment, which allows your child to explore varying avenues and ultimately learn from them. They will become more confident within themselves and may even find an activity they continue throughout their life.

Cricket
Brazilian Soccer
Spy Games

Ninja Warrior
Tennis
Circus Skills

Hockey
Bowling & Boule
Team-Building
