

PURITAS VERITAS PROBITAS

FRIDAY 17TH SEPTEMBER 2021

Dear Parents

The start of a new term always brings excitement and enthusiasm. This week has been extremely productive for the boys with lessons and fixtures in full swing. Well done to the U11 football team who headed over to Haileybury College on Wednesday for a football tournament and thank you to those parents who were very supportive and made Mr Calder feel so welcome.

Boys are naturally competitive and to this end we have revamped and re-invigorated Keble House competitions. This term will see House Poetry, House Art and House Football begin a week tomorrow. I do hope you can all come and support after 18 months of having to stay away.

To accompany these competitions we have placed a huge emphasis on the boys improving their leadership skills and have chosen many positions of responsibilities.

Congratulations to the following boys who have gained positions of responsibility this Year/Term.

- Head Boy - Harrajan Rathor
- Deputy Head boy - Tomas Moreton
- 1st XI Football Captain - Anthony Haralambous
- Colts A Football Captain - Freddie White
- House Captain Gareth - Andonis Costas
- House Captain Bedivere - Sotiris Louca
- House Captain Geraint - Anthony Haralambous

There are still a number of positions yet to be decided. Mrs D'Amato will soon be looking to start the Head Chorister process and the boys in year 2 upwards will be holding their class elections for the school council over the next week or so.

It's an exciting time for everyone.

Enjoy your weekend.
