

# PURITAS VERITAS PROBITAS

FRIDAY 12TH MAY 2023 - Headmaster's Weekly Letter Home

Dear Parents

This morning one of our parents, Dr Alice Bell, gave the children an excellent presentation in assembly about sustainability and what we can all do to make a difference. Doing all you can do for the environment is so important and the message from Dr Bell was that we can all make a difference. Clean Air Day takes place on 15th June and the children will be thinking about how we travel to school. In her presentation today, Dr Bell shared research that shows how exercise can actually improve your concentration.

With the school examinations only weeks away, the senior children have had several workshops today about revision skills and how to use their time effectively. We don't want the children to fixate on the examinations as there are more important things in life but achieving a balance between school work, social time and most importantly, exercise, is key.

I was extremely proud of the children who represented the school at cricket this week. Although we were not victorious, the performances were excellent. All those participating in the Year 5 & 6 A team match were also treated to a bowling masterclass from Jacob B. He bowled five straight wickets in a row. Amazing!

Enjoy your weekend.

Perran Gill

Headmaster

## Headmaster's Commendations

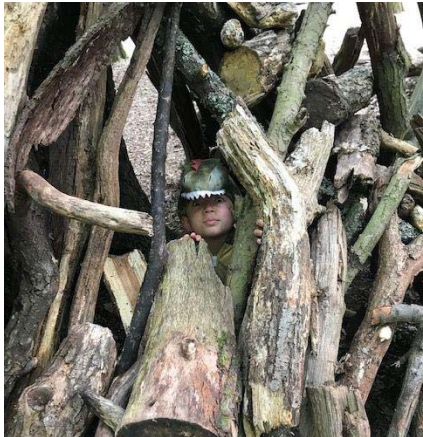

Takuma Bunting, Kian Chander, Max Charalambous, Ewan Ergisi,  
Freddie Guest, Oscar Leandro, Ertugrul Macit, Phoenix Macpherson,  
Rian Patel, Angelo Shacolas, Adam Sun & Jace Treasure.
