

Learn at home, thrive at school and beyond with **Atom Home**

Created by teachers to bridge the gap between
home and school learning

- ✓ 90,000 questions, videos and recorded lessons
- ✓ Mapped to the national curriculum for Key Stage 2
- ✓ Helpsheets and tutorials help your child learn independently
- **no tutor required!**

Watch your child's love of learning reach new heights

Build knowledge

Answer questions, earn coins! Customise Ato the monster and explore new worlds. Build on what you learn in school and deepen subject mastery skills in English, maths and science.

Feel confident

Our adaptive technology ensures your child sees questions at the right level of difficulty to keep them motivated and progressing at a pace that's right for them.

Track progress

Stay up-to-date with your child's performance with real-time data insights. See exactly where to focus next to build secure knowledge across the curriculum.

**Use SPRING24 to
save 20% on your
first month**

(Expires 30th April)

"Great platform, and very reassuring to know they work through the whole curriculum. Also very helpful to keep track of their progress. Would highly recommend."

★ Trustpilot ★★★★★

Free and discounted subscriptions are available for pupil premium and bursary students. Contact your school for more information.
