## **Whole School**

This policy covers year 1-8 with some reference to EYFS. Please see the separate document for EYFS.

The school takes responsibility for the pupils and their supervision when they enter the school at 8.10am until they leave the premises at various times (see below for specific details). A member of SMT will welcome the pupils into school with a duty on the front gate (8.10am-8.30am) and also in the Pre-Prep and lower school playground areas.

## **In lessons/teaching time**

The member of staff teaching the group is responsible for pupils during lessons. Pupils should not be left unsupervised and in an emergency in the senior school a nearby colleague should be alerted. Most junior classes have access to Teaching assistant support. Pupils should be supervised when changing for clubs, PE, Swimming and Games lessons.

## **Break Times**

There should always be a suitable number of staff on duty to ensure the wellbeing and safety of the pupils. Duties should be proactive with safety at the forefront.

## **After School**

Pupils are dismissed by staff at different times.

Nursery - 3.10pm

Reception - 3.15pm

Yr 1 - 3.20pm

Yr 2 - 3.25pm

Yr 3 & 4 - 3.45pm

Yr 5-8 - 3.50pm

Pupils in After-School care are taken to Dreamworks after School Club who are based in the school hall.

## Appendix 1

### **EYFS PROCEDURES FOR DEALING WITH A NON-COLLECTED CHILD**

If a child is not collected within 15 mins of the agreed collection time, we will call the contact numbers for the parent or carers. If there is no answer, the School Office will begin to call the emergency numbers for this child. During this time, the child will be safely looked after in school.

If there is no response from the parents' or carers' contact numbers or the emergency numbers within a one hour period, the Head of Pre-Prep/DSL will be informed and the appropriate safeguarding approach will be actioned.

Pupils should be collected in line with the procedures outlined above. If a parent has phoned the school office to advise they are running late then the form teacher will be contacted and arrangements for supervising the child will be made. If the teachers concerned cannot supervise (e.g. a staff meeting) then the child should be brought to the lobby, where a member of the office staff will supervise them

If there has been no contact from parents to advise of late collection then they should be contacted by phone. Ideally by the form teacher, but if this is not possible, school office staff will assist. Arrangements will be made to supervise the child. Office staff are on site until 5.00pm after which time there is a rota of senior managers to continue supervision until the child is collected. If by that stage attempts to contact the parents have still not been successful then the member of staff involved will try to contact the other nominated persons on the database. If there has been no contact from the parents or other carers and it is later than 45 minutes from when the child should have been collected, the police will be contacted as it becomes an urgent safeguarding concern. See dropping off policy for more information.
