

Dear People of Nepal,

I am very sorry for what has happened to your country. We as a school are raising money to help you so that you can buy what you need and repair your homes. Remember that God is with you.

DAY

Have Hope sometimes its hard without a home  
Earth quakes are so strong  
they terrorize the places they strike  
With time you will rebuild

Hope will come

Dear People of Nepal,

I have recently heard what happened to your wonderful country. I feel like I don't show my appreciation for how lucky I am. Me and my school want to donate money to help rebuild all your schools and buildings.

# YOU ARE ONE

Together you won't damage anymore things, you will keep on believing and you'll rebuild equipment. Together you can survive longer than any other country in the world. All you have to do is keep on praying, believing and staying together to form a large group. We will help you.

Nepal earth quake  
has ruined peoples  
lives and homes. Everything  
is damaged all  
because of the earth  
quake! I hope that  
you are able to  
rebuild quickly!
