**Pupils return on Thursday 3rd September 2015**

We have introduced a new **School Calendar** facility on our website. This online, interactive, Google calendar will enable parents to keep up to date with all of the latest information. Go to the **School Calendar** page in the information section of the website or click the icon on the Home Page. Can we recommend that you select 'Agenda' view from the tabs available if it doesn't do so automatically, This will display a handy list of all events throughout the term. We hope that you find this new feature useful.

NB: Please note that Google have identified an issue with the web calendar not displaying on certain devices. We have provided a direct link on the School Calendar page to use if you experience difficulty viewing.
