

## So much is happening at Woodcroft!

Woodcroft AIM@ programmes are designed to raise aspirations and inspire dreams. They are part of our award winning provision and encompass everything we do 'over and above' the National Curriculum.

We offer an unparalleled range of clubs and activities. Whether your into music and the arts, PE and sport or the digital age, we have opportunities that will inspire you to raise your aspirations.

Teachers and external providers will notify pupils in school when clubs are recruiting.

New clubs and activities are added all of the time. Look out for club information in the Woodcroft Weekly Newsletter.
