

BOOST

Burnt Oak Opportunity Support Team

BOOST – Burnt Oak Opportunity Support Team – is a new project set up to support local residents of Burnt Oak into work.

Often people looking for work have other issues that get in the way and so we use a step-by-step approach to understand your circumstances, and help you gain the confidence and skills to find the right job.

We can help you with:

- Employment
- Training
- Housing advice
- Benefits advice
- Health & Wellbeing
- Volunteering and ways to get involved in your community.

Meet the team

Triage and Engagement Officers

We are your first point of contact with BOOST and will sign you up to the team. We will discuss how BOOST can help you and link you to the right part of the team. We have a wide knowledge of other organisations who can help you and we keep in touch during your time with the team to make sure you are getting the most out of BOOST.

Work Coaches

Our three highly experienced Job Centre Work Coaches will guide and support you to find sustainable and fulfilling employment. They can find the right job for you and link you to a range of providers to gain confidence and new skills or qualifications that will put you in a stronger position to find work and make a positive change in your life.

Employer Engagement Adviser

Our Adviser works with employers to identify employment opportunities and boost the local labour market. They build and maintain effective relationships with employers and help to find the vacancies that match your skills and goals.

Youth Engagement Adviser

Our Youth Engagement Adviser works with young residents aged between 16 and 24. They will support you into sustainable education, employment or training by providing one to one sessions and group workshops as well as signposting to courses to help build skills and work experience to increase career opportunities. Find them on Facebook by searching 'BEETS Habib'.

Future Path Progression Coach

Our Progression Coach is an experienced mental health practitioner who works closely with every client to identify their life barriers, put support mechanisms in place and focus on finding sustained employment.
