

Year 5
Summer Term 2017

Woodcroft Primary School

Year 5 Newsletter

Welcome back to Woodcroft Primary School.

This newsletter aims to give you information about the areas of the curriculum that Year 5 will be covering this Summer Term . Our Topic is **ONE STEP BEYOND!** (Earth and Space).

Maths: This term we will be studying geometry, measures and numbers. In Geometry we will look at measuring, drawing and finding angles, estimating and measuring volume and capacity, and calculating the area of different shapes. We will also be looking at prime numbers. As well as this, we will be solving word problems involving measures, addition and subtraction, and multiplication and division.

Literacy: The children will be studying a wide range of books and writing styles this term. Areas of study will include persuasive and discussion writing, performance poetry, newspaper recounts, instructions and narrative through a book study. Information technology will also be used to develop literacy skills. Homework will continue to be set for spellings and reading.

Science

This term our Science topic is Earth and Space. Within this unit we will be looking at stars, planets, space and space travel.

Computing:

The two Computing topics are 'We Are Architects' and 'We Are Bloggers'. In the first unit, we will be using 3D modelling programs to create our own buildings. In the second, the children will be blogging about space and what they are learning about in our Topic lessons.

Geography: The children will be spending time looking at maps and atlases. We will be looking at the geographical features of countries on the Equator, and in the Tropics and the Arctic regions of Earth.

Year 5 Homework and PE Timetable

Monday	Hand in spelling sentences & HL books.
Tuesday	PE 5P and 5G
Wednesday	
Thursday	Brain Builder HW to be handed in.
Friday	Spelling test. Library Books 5P and 5G PE 5P

Special points of interest:

- Year Five need their PE kits in school every week.
- Library books are due back every week.
- Children need to practice times tables, spellings. Plus reading everyday—minimum 20mins.

Design Technology:

In Food Technology, the pupils will investigate types of bread with different mixtures and toppings. They will also carry out a survey and make a flat bread with choice of topping.

RE:

In RE this term we will be studying Buddhism and inspirational people. Also looking at dilemmas and solutions.

Spanish:

Speaking and listening in Spanish will be taught focusing on a greetings conversation, where you live, likes and dislikes and clothing.

Art:

To tie in with our topic of Earth and Space, the children will be using a variety of media to create own images of the planets of the solar system and moonscapes.

PE:

Sports activities will be taught by Mr Raw. Pupils will also take part in Outdoor Adventurous Activities, taught by class teachers.

Our Dance unit, meanwhile, will be continuing to develop dance skills, movement and creating motifs.

We hope you find this newsletter informative and helpful. Please do not hesitate to speak to us if you would like any further information. We would like to take this opportunity to thank all parents and carers for their continued support.

Kind regards

Mr Patel and Miss Grabiner

Don't forget to log in onto our school website and the Treehouse!
