

SKILLS BUILDERS SUMMER CAMP 2018

Join us at Binoth's exciting Occupational Therapy **Skills Builders Summer Camp** and help your child improve their skills in an enriched sensory environment.

Occupational Therapy supports children to participate in all activities within their daily life. **Skills Builders Summer Camp** aims to help your child improve the skills needed to participate in school, self care, hobbies and with friends.

- Fun activities and games, run by experienced Occupational Therapists
- Focus on developing skills needed for successful participation in childhood activities in the classroom, on the playground, at home and with friends
- Parents invited to join in for the last 30 minutes daily to learn the strategies used with their child that day
- Activities such as drawing, writing, cutting, cooking, dressing, balls skills and games requiring movement, coordination, and planning and organization
- Post-camp summary meeting to inform parents/carers of their child's progress and provide personalized Occupational Therapy-specific recommendations
