We have exceeded our target of 300!

WELL DONE

You can STOP collecting - we have managed to fill a second poster!

Year 4 Assembly to Families

Year 4 were set the challenge of creating a class assembly that celebrated our Art Week theme of 'Movement'. Well, it is safe to say that everyone who watched their energetic show this week agreed that they rose to the task! The year group performed a breathless, action packed 30 minutes, that involved song, dance, paralympic basketball, chariot racing, team challenges and time travel! Well done to the pupils and staff who were involved in this excellent class production.

Tate Year 3 Project - Woodcroft Billboard Exhibition

Billboard posters have started to appear over London featuring Woodcroft Class 3B from last year. The main posting period will be the 4th to 8th November, with each individual poster remaining in place for approximately 2 weeks, so you will not have long to catch them. This celebration coincides with Turner Prize artist & Oscar winner, Steve McQueen, unveiling his epic portrait of London's school children at **Tate Britain**. You will be able to see Miss Blyth and Class 3B from last year at 11 locations around London (see the list published last week in issue 362 that is on the website). We hope that everyone has a chance to celebrate our school as a major part of this famous exhibition.

If you follow Woodcroft on Twitter you will see updates about the project. People have already started to spot us around London! Sign up today to get all the latest posts. Look at what people have posted already!

A Busy Week!

We have a busy week coming up - plenty to look forward to...
