In school we are thinking about ...

Changes

We are thinking about what happens as we grow older.

Safety In Our Local Parks Please Complete Our Questionnaire

Burnt Oak schools are keen to support our local communities following the recent events at Montrose and more general issues with park safety. We are responding to ongoing concerns that have been expressed by our pupils in class, and our families at the school gate.

Local Headteachers wrote a letter to Barnet Council about these concerns. We are pleased to report that support has now been offered to our pupils through safety talks, workshops and counselling for those in need.

However, worries still remain in relation to our families and their ability to safely access the local parks and open spaces, especially as we approach the summer holidays.

Burnt Oak schools want our communities to have a voice! We have joined together to create a short questionnaire to collect your views. Your responses will then be put to Barnet leadership at a special schools' forum to be held before the end of term.

We now need as many families as possible to complete our questionnaire! Click here ...

<https://form.jotform.com/211742150351039>

Links will also be sent out by email and text. It only takes 5 minutes so why not do it now!

**Burnt Oak and Surrounding Local Areas -
Summer Parks Questionnaire**

This survey has been organised by Barnfield and Woodcroft Schools to gain the views of our families and young people regarding our parks. Please can each person in your household complete one survey. It is important we are able to gather as many individual responses from the local area as possible to share with Barnet

13 Questions

START →

We want all of our children to feel safe. We want our families to feel heard! Please take part in our questionnaire. Thank you.

Year 5 Trip to Unitas A report by Jihaan

On Tuesday 29th June, Year 5, two parents and 4 teachers all went to Unitas Barnet Youth Zone. It felt like a long walk (about 20 minutes)! You might be wondering what we did? We had an action packed morning playing Ping Pong, Mario Kart, Pool, Football, Dodgeball and Splat. We even had a Mega tug-of-war! Unfortunately, the opposing team lost. We stayed there for about 3 fantastic hours. Then, we walked safely back to school ! Let's hope other year groups get to visit this amazing place very soon!

Class Photos

Information about how to obtain class photos will be available next week. Year Groups that missed their photo will have one taken ASAP.

POSITIVE CASES OF COVID IN SCHOOL

Our thoughts are with members of our school community who are currently suffering the effects of COVID19. The past two weeks have seen an increase in the number of reported cases in our community so it is vital that we maintain our safety measures. Thank you to all of our parents and carers for continuing to wear masks, following the one way system and maintaining a social distance.

The Wizard of Oz at Woodcroft

M&M Theatre visited Woodcroft with a COVID Secure adaptation of their Wizard of Oz production. Faced with the issues of performing live theatre while following COVID regulations M&M have transformed their shows into live cinematic experiences!

Each year group enjoyed their own socially distant 1 hour show which was a clever mix of

live action, performed by one actor, who was interacting with a pre-recorded show projected onto an enormous cinema screen. The pupils thoroughly enjoyed all of the singing, dancing and crazy antics that we have come to expect from M&M!

Live Streaming

We also managed to set up a live stream YouTube channel so that the year groups that were self-isolating were able to watch the show from home and take part in live chat with their teachers and classmates. Year 6, who are working towards their Bronze Arts Award with Trinity College, also had a livestream actors workshop with Alex from M&M Theatre.

Summer Diary 2021

July

2nd July Pupil Annual Reports Distributed
