### Return to School Reminders

We hope that you have had a great summer. Pupils return to school on Monday 6th September. Children new to Reception and Nursery will be given separate, staggered start times.

Last year was particularly challenging for everyone! However, one thing that stood out was how well our amazing pupils settled back into school routines. Their attitude to learning and behaviour has always been excellent.

As we look to a new school year we sincerely hope that it will not be as disrupted as the previous two. Rest assured, we will always do our utmost to ensure our pupils continue to achieve the very best outcomes and work 'together towards success' at Woodcroft.

You will find detailed information on our website here ...

<https://www.woodcroft.barnet.sch.uk/school-organisation-for-september-2021/>

In this Newsletter we have highlighted some of the key headlines in advance of our return.

Our plan at Woodcroft is straightforward. We aim to relax certain restrictions so that we can operate more effectively. However, we propose to keep the underlying structures that allow us to lockdown or isolate year groups if required.

### Arbor Parent Portal

We are putting everything for parents in one place with the Arbor Parent Portal.

From September you will be now able to make online payments through the Arbor portal.

Most parents have already registered to access their account. Reminder emails have been sent to everyone who still needs to log on. Please check your inbox and junk folders for the welcome emails from Arbor.

The Arbor system will be used for Email, Messaging, Assessment Information, Behaviour Reports and now Cashless Payments. All this from one convenient and secure login!

**IMPORTANT NOTE:** The first time you log on you will need to use a computer, laptop or tablet.

Parents who have done this already report that it is quick and easy. However, some phones do not allow you to press the 'accept terms' button because of their screen size. However, once this is done for the first time they say that it is easy to login using your phone.
