# Arbor Parent Portal

We are putting everything for parents in one place within the **Arbor Parent Portal**.

**You are now able to make online payments and see your child's information through the Arbor portal.**

Most parents have already registered to access their account. Reminder emails have been sent to everyone who still needs to log on. If you have not registered, please check your inbox and junk folders for the welcome emails from Arbor.

The Arbor system will be used for Email, Messaging, Assessment Information, Behaviour Reports and now **Cashless Payments**. All this from one convenient and secure login!

**IMPORTANT NOTE:** The first time you log on you will need to use a computer, laptop or tablet.

Parents who have done this already report that it is quick and easy. However, some phones do not allow you to press the 'accept terms' button because of their screen size. However, once this is done for the first time they say that it is easy to login using your phone.
