International Week

Year 6 R.A.F. Trip A report by Jihaan Y6

On the 19th October, Year 6 went to the fantastic R.A.F Museum. We had a collaboration with our teachers to go to the museum. We went by foot which was very tiring but we got there eventually. You might be wondering what we did ? We had an excellent day, we were trying on World War Two uniforms, sketching planes and learning fun facts about the great World Wars. We even had a ‘ fake ‘ lockdown where Germany was attacking us with bombs in England. We stayed there for five fantastic hours!

Thank you to our teachers for organising the trip. Let’s hope that Woodcroft will get to visit this museum again in the future!

by Jihaan Y6

International Dress and Colours Day - Friday 22nd October

Today was our famous **International Dress and Colours Day.** It is an opportunity to dress in our national costume or in the colours of a chosen flag. We transform the school into a mass of colour that celebrates the amazing diversity of our wonderful school community. Take a look …

Have you logged in to the Arbor Parent Portal

82% of Woodcroft families are now signed up to the **Arbor Parent Portal** where you can check and amend your information.
We have now begun switching on the online payments service.
Reminder texts and emails have been sent to everyone who still needs to log on. You can also download the Arbor App from the Google Play Store or the Apple App Store to easily log in to your school account.

IMPORTANT: If you are having problems with login please let us know in the school office - some accounts we have found need to be reset by the school.

Poppy Appeal 2021

The Poppy Appeal is almost here, and every poppy makes a difference to the lives of our Armed Forces community.

Remembrance has been part of our shared history for 100 years. Every person, every donation and every poppy counts. This year's Poppy Appeal launches in school on Monday 1st November. The Poppy Appeal has been running for 100 years and, as Covid-19 restrictions ease, it aims to raise vital funds for the Armed Forces community.

e Admissions

Year 6 Secondary Transfer Applications
DEADLINE 31st October 2021

Year 6 families should have now completed their applications to transfer to secondary school next year in September 2022. **The deadline for applications is next week**, 31st October 2021.

- ★ **Anti-Bullying Week** 2021 with the theme - One Kind Word - 16th to 19th November

The Birthday Book Club

WOW! *We are always happy to hear about pupils who have enjoyed recent birthdays and have celebrated by donating books for their Class Library. Congratulations and Happy Birthday to* ***Attila (2L) age 7 and Elyas (RP) age 5***

For Maths Week England we want to make Maths exciting and high profile in our school. We will be taking part in a friendly competition involving schools from England from Monday 8th November to Thursday 11th November. It's all done online via play.ttrockstars.com.

For every correct answer to a multiplication or division question, your child will earn their class a point. The Times Tables Rock Stars platform will calculate the class average (the number of correct answers per pupil in the class who play during the competition hours, subject to a daily 60-minute limit (see below)). Winning classes in the school and in the competition as a whole will be the ones with the highest average.

To support pupil wellbeing, there is a daily time limit of 60 minutes per player. In other words, each player can earn competition points for up to 60 minutes. Once the player goes beyond 60 minutes of play on a given day, they will still earn coins but will no longer earn points towards the competition. Pupils will be given an opportunity to take part as they come into school during 'soft start' or as part of their daily Maths lesson. Additional minutes can be made up through participation at home.

Thank you , Miss Maynard (Maths Coordinator)

More about Maths Week England

MATHS WEEK ENGLAND
2021
MATHS TOGETHER

Now on its third year Maths Week England aims to:

- **Raise the profile of mathematics throughout England.**
- **Make maths more positive.**
- **Enable children to access and enjoy interesting mathematical experiences.**
- **Support teachers to plan special activities**
- **Raise aspirations and encourage a higher take-up of the study of maths**
- **Make maths accessible and enjoyable for everyone**
