We hope that through this application pack, our website and a visit to the school it will give you a flavour of Woodcroft; our academic success, the extensive range of services and facilities, the wide variety of experiences offered, and the dedication and commitment of all our staff.*

In our most recent inspection report, published on 5th January 2019, Ofsted commented: “the development of the wider curriculum to make Woodcroft Primary school a unique place to learn. For example, you have developed an ‘arts charter’ and encouraged pupils’ participation in dance, music and sports. Pupils told me that they valued these opportunities. They spoke enthusiastically about taking part in a range of extra-curricular clubs...pupils behaved well and demonstrated positive attitudes to their learning. Parents are overwhelmingly supportive of the school.”

*We are particularly proud of our outstanding curriculum, commitment to the Arts and the digital innovation. These include our exclusive AIM@ programmes designed to raise the aspirations of every pupil. The school currently holds a number of prestigious awards that include **Artsmark Platinum, NAACE ICT Accreditation & Gold Games Mark**.*

I look forward to receiving your application.
