Maths support:

- Resources and ideas for at home
- <u>Khan Academy</u> supports their practice at home, with helpful videos if they get stuck. Will also pitch questions at their level based on their previous answers.
- <u>Times Tables</u> good for learning times tables
- <u>Times Table Rockstar</u> good for practicing times tables
- <u>Nrich</u> recommended as a challenge, there are some tough maths puzzles to solve
- <u>Busy Things</u>- some good games to build up foundations (ie number bonds)

Arbor Parent Portal

We are putting everything for parents in one place with the Arbor Parent Portal.

From September you will be now able to make online payments through the Arbor portal.

Most parents have already registered to access their account. Reminder emails have been sent to everyone who still needs to log on. Please check your inbox and junk folders for the welcome emails from Arbor.

The Arbor system will be used for Email, Messaging, Assessment Information, Behaviour Reports and now Cashless Payments. All this from one convenient and secure login!

IMPORTANT NOTE: The first time you log on you will need to use a computer, laptop or tablet.

Parents who have done this already report that it is quick and easy. However, some phones do not allow you to press the 'accept terms' button because of their screen size. However, once this is done for the first time they say that it is easy to login using your phone.
