Parents' Evening - 11th July 2024 (4.00pm to 7.00pm)

In the summer term we do not schedule formal appointments for parents' evening. Teachers are available to meet with parents anytime from 4.00pm to 7.00pm on Thursday 11th July. We do however ask that you indicate the likely time that you will attend school on the booking form via the link below. It will obviously be busiest at 4.00pm so we advise you to plan to come after 5.00pm when it is quieter.

At Parents Evening you can discuss your child's report, their recent assessment scores and preparation for the next academic year.

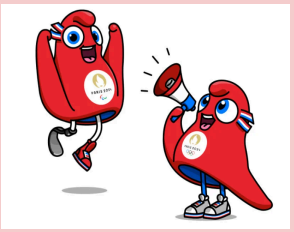

Please complete a separate booking for each child. You will NOT receive a response. This form is just to inform teachers who to expect to see.

Parent / Carers Evening Form

Please note: if no parent indicates that they will attend after 6.00pm then teachers will leave for the evening.

IMPORTANT!

PLEASE ORDER BEFORE 31ST JULY TO AVOID DISAPPOINTMENT!

Please note: This date applies to schools returning at the start of September. Parents of schools with earlier return dates will need to order sooner.

The summer is finally here and although here at Mapac we've already built up great stock levels to ensure your order is sent out in record time, there can always be issues that are out of our control, with this in mind please order as early as possible, especially if your child is starting school for the first time!

Orders placed up to and including the 31st of July will take priority over all our current stock so please place orders as soon as possible – This will help ensure that you receive your uniform in time as orders placed after this period are more likely to be subject to delays.

DON'T DELAY

Thank you and have a great summer!

Summer Holiday
Music Experience

Come and share a musical 4 days with us and enjoy music making with BEAT's inspiring staff! From Monday 5 - Thursday 8 August 2024

Each day, participants will engage in four exciting activities: playing steel pans, mastering beatboxing, learning DJing skills, and joining together to form a band. On the final day, you'll have the chance to showcase your new talents with a performance opportunity.

Steel Pans

The Steel Pan is a brilliant instrument for beginners, as the basic skills are quick to learn. Even without previous experience you will have accomplished simple melodies by the end of this fun and creative week.

DJ'ing

This is a fun, practical 'hands on' session where you will learn from a professional DJ, who will teach you the basic skills on our Pioneer DJ equipment.

Band in a Day (Picks and Sticks)

Explore the many aspects of rock and pop music through playing in a live band and putting together one or two songs.

Beatboxing and live looping

Ever wanted to try out beatboxing or live looping? Our introductory Beatbox and Vocal Looping workshops will show you how to make simple beatbox motifs and live looping songs as a group.

Discover Your Musical Passion!

Participants will also have the chance to try out various Woodwind, String and Brass instruments during the week at our drop-in free taster sessions in the bar depot.
