

Woodcroft Primary School Safeguarding and Child Protection Notice – September 2024

Child Protections and Safeguarding is everyone's responsibility – you have a duty to act

If you have a concern:

If any adult has a concern about the welfare or well-being of a child they should inform their line manager and Designated safeguarding Lead. It should be recorded as a concern, either written or on My Concern (safeguarding management software).

Any adult working or volunteering is also able to make referrals directly to Barnet Children's Services by calling the Multi-Agency Safeguarding Hub (MASH) on **02083594066** or via:

<https://www.barnet.gov.uk/children-and-families/keeping-children-safe/worried-about-safety-child>

If any adult has a concern about another staff member, worker or volunteer at Woodcroft they should inform their line manager and Headteacher immediately. Further advice is available from the Local Area Designated Officer (LADO)

If a pupil discloses to you:

A child will disclose to a person who they trust. Everyone should listen openly without asking leading questions but by using the **TED** (Tell, Explain and Describe) method of questioning. Then report the disclosure conversation immediately to a senior member of staff who will ask you to make a written record (signed and dated) or to log it on **MyConcern** (for school account holders). All urgent concerns should be reported in person **and immediately** to the Designated Safeguarding Lead (DSL).

If you do not think a concern has been appropriately managed it is your responsibility to escalate the matter. This could be directly to the DSL or with a referral to MASH (see above).
