Year 6 Secondary Transfer Applications Now Open

Admissions

Year 6 families are now able to complete their applications to select their secondary school choices for transfer next September 2025.

Healthy Snacks for Break Time in KS2 (Y3 to Y6)

We encourage pupils to lead healthy lifestyles. Children in EYFS & KS1 are provided with snacks in school every day. But a healthy snack for breaktime is a great choice for pupils in Y3,4,5 and 6. If you wish to send your child with a snack please make sure it is wrapped or boxed. Suggested snacks:

Sliced fruit •

- Cheese sticks
- Cut veggies
- •
- Raisins
- Cereal bar (check the sugar)
- Small sandwich or crackers

Healthy Snacks

Note: we do not allow any chocolate or nut products in school. Pupils in EYFS, Y1 and Y2 are given healthy snacks in school so are not required.

Dietary Safeguarding Procedures

Our catering provider, ISS, is dedicated to ensuring that pupils can enjoy nutritious lunches which are served safely in healthy environments. They have strict dietary safety procedures. These are outlined in the documents below (click on the links to download) or ask for a copy from the office.

Dietary Safeguarding Policy

Special Dietary Requirements Notification and Referral Form

If your child has any dietary requirements due to medical reasons then the 'Notification and Referral form MUST be completed and supported by your doctor's or hospital paperwork. For more information visit our school website: https://www.woodcroft.barnet.sch.uk/school-meals-information/

Pupil Premium Funding: Do you qualify?

School budgets have been significantly cut in recent years. Did you know that we are also partly funded through the Government's Pupil Premium Grant. Schools receive an extra **£1345** for every pupil who is eligible so it is vital that the school knows who qualifies.

We cannot claim this extra funding unless we register all eligible families. Unfortunately, we are <u>NOT</u> told who qualifies – we rely on parents informing the school.

You are eligible for Pupil Premium if you receive any of the following:

- > Universal Credit with an annual net earned income of no more than £7,400
- ➤ Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part 6 of the Immigration and Asylum Act 1999
- The guarantee element of Pension Credit
- Working Tax Credit run-on (paid for the four weeks after you stop qualifying for Working Tax Credit)
- > Child Tax Credit (with no Working Tax Credit) with an annual income of no more than £16,190

Use this FREE site to check eligibility: https://pps.lgfl.org.uk/

Free School Meals Eligibility Checker

In these times of drastic cuts to school budgets it is essential that Woodcroft receives the maximum funding. Please speak with our Office staff if you think you may qualify.

The Birthday Book Club

We are always happy to hear about pupils who have enjoyed recent birthdays and then celebrate by donating a book for their Class Library.

Happy Birthday to

UK Government says NO to Mobile Phones for Children

This week the Government has requested that ALL schools prohibit the use of phones in school. It has issued new guidance:

https://www.gov.uk/government/publications/mobile-phones-in-schools

At Woodcroft we do not allow pupils to use phones on site. Our rule is simple. If we see or hear a phone it will be confiscated immediately and then only be returned to an adult. Our <u>policy on mobile devices</u> is available on our website.

However, the problem is much bigger than this and many parents are now realising that children accessing mobile phones is extremely damaging. A campaign is gaining momentum called Smartphone Free Childhood.

https://smartphonefreechildhood.co.uk/

A staggering 83% of 11 year-olds in Britain have a smartphone. This is despite increasing evidence that phones damage developing brains, raise the likelihood of childhood mental illness and open the door to inappropriate content.

Take a look at some international research by clicking the links:

- <u>SMARTPHONES ARE HIGHLY ADDICTIVE</u>
- <u>SMARTPHONE LINKS TO MENTAL HEALTH PROBLEMS</u>
- <u>SMARTPHONES EXPOSE CHILDREN TO HARMFUL CONTENT</u>
- <u>SMARTPHONES REDUCE ATTENTION IN SCHOOL</u>

If you want your child to be healthy, safe and successful at school then our advice would be to delay smartphone use until their teens at the earliest. Giving your child a smartphone might seem a kind thing to do, but as the evidence is now increasingly showing, you are potentially harming your child.

If your child absolutely needs a phone for safety and travel reasons then buy them a traditional 'brick' phone that allows calls and texts only. This may not be cool and trendy, but it could possibly be the best decision you make to protect your child and enhance their academic success.

Childhood is too short to waste on a smartphone
