So NO to mobile phones

UK Government says NO to Mobile Phones for Children

There is increasing evidence that phones damage developing brains, reduce the ability to concentrate in class, raise the likelihood of mental illness and open the door to inappropriate content.

The Birthday Book Club

We always always to hear about pupils who have enjoyed recent birthdays. We celebrate by donating a book for class library. We do not bring in sweets or party bags.

Here is how it works:

- 1. Children give a book to their class library.*
- 2. They visit the office for a birthday sticker*
- 3. Their names are then included in the following week's newsletter*
