 - Ask questions to improve your child's understanding of the text.

Phonics

In Year 1 children will move on from the initial code onto the extended code. The scheme we use is Sounds-Write.

We will begin to learn the alternative spellings and pronunciations for different sounds eg:

Rain, came, day, acorn

Be mindful not to contribute to misconceptions of schwas. Eg. m, t, r.

Phonics Screening Check

The **phonics screening check** is a statutory assessment that all year 1 children across the country take part in. This usually happens in June.

It is to confirm whether individual children have learnt **phonic** decoding to an appropriate standard.

It will identify the children who need extra help so they are given support by their school to improve their reading skills.

Homework

Every Friday you will get homework.

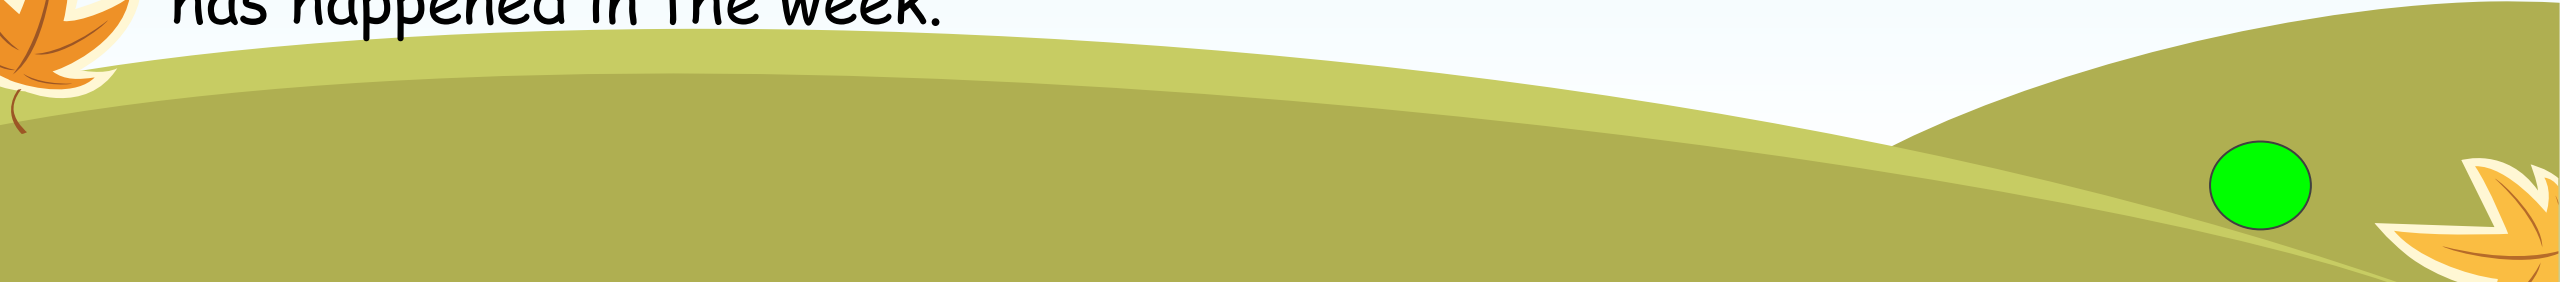

It is due by the following Thursday.

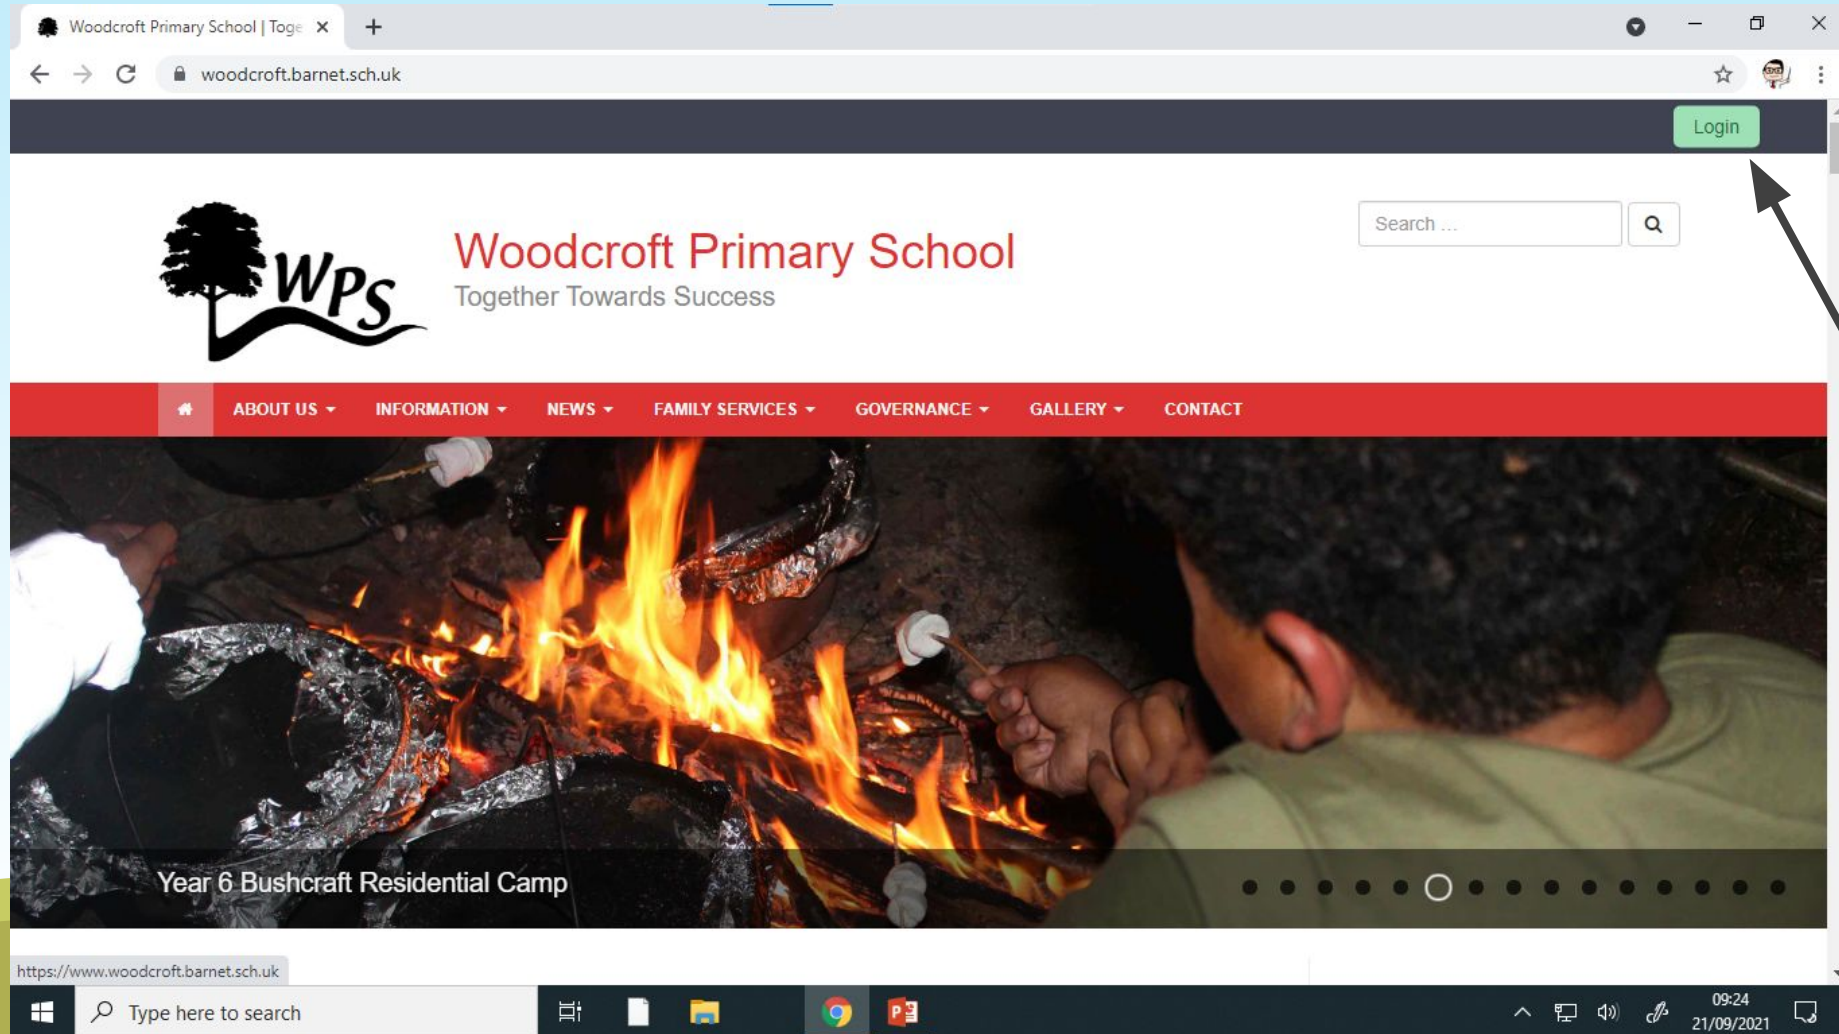

We set the homework on the Google Classroom which everyone has access to from Reception.

The homework will be fun extension activities from the learning that has happened in the week.

How you can help us

- Homelink Book - sign and comment
 - Read school letters
 - Book bags. Please label them, no keyrings please.
 - Encourage your children to be independent, such as zipping their own coat, putting their own shoes and socks on, putting their jumper on, and general problem solving.
- 
- 

What do your children not need?

The school will provide all of the equipment needed for your child to take part in the learning. They do not need pencil cases, backpacks or equipment from home.

Please check your child is not bringing toys into school (things from home).

Please keep hair accessories to a minimum.

The school provides a healthy snack for snack time, you do not need to provide one from home.

Names in personal belongings

Please name jumpers, water bottles and other personal belongings.

Behaviour

- We use positive behaviour techniques and routines to encourage your child to accomplish excellent behaviour to allow everyone to feel comfortable and able to learn.
- In Year 1 we use dojo's, stickers, yellow cards, star of the week.
- At Woodcroft, we use 1, 2, 3 magic! to teach behaviour.
- There may be green or blue cards for children not following the behaviour expectations.

Hometime Routine

- The children get picked up from the classroom door.
 - If you intend for someone else to pick up your child, please let the office know in good time.
 - If you send someone under 18 to pick up your child, the school needs written consent from the guardian.
- 
- 

Please bear with us while we get to know you at home time, it may take some time to recognise your faces.

Goodbye at the gate

To support your child's independence we would like to encourage you to drop your child at the gate, and for them to walk down to the classroom door on their own.

How you can contact us:

- Email or call the school office.
 - If you want to speak to the Class Teacher after school, please wait until all of the children have been collected and we will be happy to speak with you.
- 
- 

Sign up to the Arbor App!

PUPIL PREMIUM

Please inform the school if you are eligible for extra benefits and

approx **£1345 EXTRA FUNDING!**

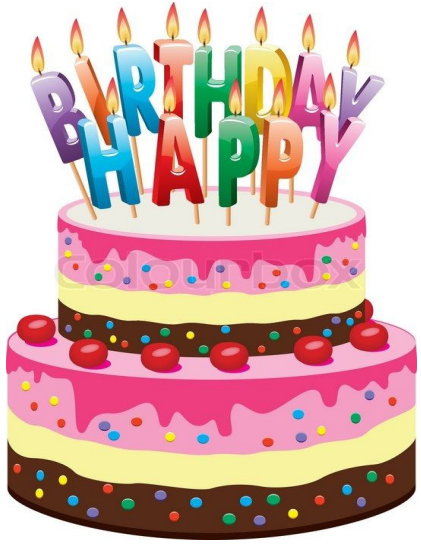

Check with the office if you are unsure.

So NO to mobile phones

UK Government says NO to Mobile Phones for Children

There is increasing evidence that phones damage developing brains, reduce the ability to concentrate in class, raise the likelihood of mental illness and open the door to inappropriate content.

The Birthday Book Club

We always always to hear about pupils who have enjoyed recent birthdays. We celebrate by donating a book for class library. We do not bring in sweets or party bags.

Here is how it works:

- 1. Children give a book to their class library.*
- 2. They visit the office for a birthday sticker*
- 3. Their names are then included in the following week's newsletter*

Questions?

Please feel free to speak with us at the end of the day or to make an appointment for an alternative time with any other questions you may have.

Thank you for coming!
