Classical Music Performance

On Thursday we were treated to an amazing musical recital of pieces from French classical composer Camille Saint-Saën. In assembly, two professional musicians, Hui-ling and Eejun, played 'Odelette' (or "Little Song"), on both the flute and piano. This was then followed by five movements from 'The Carnival of the Animals' in which pupils were asked to identify the different animals through their musical representations.

Early Years Foundation Stage - Phonics Workshop

It was a full house for Miss Khan's Phonics Workshop on Wednesday. Parents and Carers were told all about how Woodcroft teaches phonics using the top rated 'Sounds-Write' scheme.

All the slides from the Phonics presentation have been shared on Tapestry with Nursery & Reception parents. If you missed the workshop there is a link in the presentation for a FREE parent training of the Sounds-Write phonics scheme.

All Nursery & Reception parents are invited to next week's Stay & Play 9:00 - 9:30 on Wednesday 29th January in your child's classroom. Come along and get a chance to see a phonics lesson being taught in Reception & Nursery and some follow up activities for everyone to get involved in.

Taekwondo Achievement

We are delighted to share in the success of our pupils outside of school so it is great to find out that Malak (Y6) has continued her taekwondo progress! Malak successfully passed her green belt grading. She had to demonstrate in front of an Olympic judge who praised her performance. Well done Malak. Don't forget to share your own child's achievements for both our newsletter and in assembly.

What's your child's attendance?

Is it above the expected 96%?

Or is it below 90% and a serious concern?!

If your child's attendance falls below 90%, you are categorised as a Persistent Absentee. You could be required to meet with the attendance team at school or the Education Welfare Officer from Barnet.

Check the Arbor App and confirm your child's attendance.

Steps for accessing Arbor to check pupil's attendance:

1. From the menu select **Attendance**
2. **Statistics for the Academic Year 2024/2025** are divided into several sections:
 - **Possible sessions** - total sessions for the year
 - **Present sessions** - the actual sessions as a percentage
 - **Lates** - shown as a percentage
 - **Authorised absence** - number of sessions and percentage
 - **Unauthorised absence** - number of sessions and percentage

Check out our updated attendance guide attached to this newsletter.

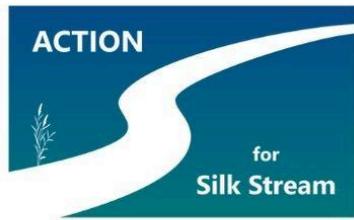

Winter Weather Arrangements

Woodcroft Primary School

Attendance Guide for Parents

This guide is for the parents of all children at Woodcroft Primary School. We are aware that there will be occasional exceptional circumstances that will require individual support or alternative arrangements. Staff members are always available to discuss any attendance or punctuality issues parents may be experiencing.

Q.1 When does my child need to arrive at School?

Children can **arrive at school from 8.30am** when supervision is provided. Children are able to enter the school and go directly to their class.

The latest your child should arrive in school is by 8.45am when registration takes place.

Q.2 What happens if my child is late?

Registration is at **8:45am** prompt.

If your child arrives between 8:45 am - 9:15 am they should report directly to the office and will be marked late in the register. If your child arrives after **9:15 am** they will receive an absence mark U-code, which is classified as 'Unauthorised absence' instead of a late mark. Where children arrive after **9:15 am** parents are required to explain the reasons for lateness. If an acceptable explanation is not received for lateness your child will be recorded with an unauthorised absence.

Q.3 Does the school need letters explaining my child's absence or will a phone call do?

We would expect a parent to telephone the school before 8:45 am on the first day of absence and each subsequent day. A message can be left on the school answer machine 24 hours a day. However, we appreciate a written explanation on your child's return to school.

Q.4 What reasons does the school accept for absence?

- Genuine illness
- Unavoidable medical/dental appointments.
- Day of religious observance
- Family bereavement
- Participation in approved public performance

Except in the case of illness, you should ask for permission for your child to be granted leave of absence well in advance, (preferably 2 weeks) giving details of the reasons for your request. In cases of medical/dental appointments, please show the appropriate appointment card, letter, email or text, so it can be coded in the register and children are expected to return to school unless the appointment is late in the afternoon. In cases of recurring absences for illness, you may be asked to produce medical evidence.

Q.5 What is an unacceptable reason for absence?

The school will not authorise absences for:

- Day trips
- Birthdays
- Visiting relatives
- Family holidays
- Looking after siblings **This list is not conclusive**

Q.6 Will the school contact me if my child is absent?

Woodcroft Primary School operates a daily Text Message Service whereby staff will make every effort to contact families where children have failed to attend school in time for morning registration. However, it should be noted that you are still expected to contact the school yourself on the first day of your child's absence. If on the third day the school has received no contact from the parents/carers a member of staff will telephone, and a referral will be made to our Education Welfare Officer and a home visit will be carried out.

The school number is...0208 959 3244

Letters and phone calls will be sent alerting you to attendance issues. Parents can also access Arbor for their child's attendance. These follow Government guidelines which state that a child's attendance at school should be at least 96% if they are to achieve their full potential.

It is vital for emergency purposes that we have your most up to date contact details. If you, or your listed contacts, change a number, please inform the school immediately.

Q.7 Can we take family holidays during term time?

Family holidays must be taken in the school holidays. If, in exceptional circumstances, you need to request permission for your child to be granted leave of absence during term time, please make an appointment to see the Headteacher. You will be asked to complete a leave of absence request form (available through the school office). This form will need to be completed at least two weeks in advance of the leave of absence.

The Headteacher has the right to refuse a request for leave of absence having given consideration to whether the request falls into exceptional circumstances. If leave has not been granted, a Fixed Penalty Notice (FPN) may be issued for the unauthorised leave.

Q. 8 What can I do to encourage my child to attend school?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that they leave home in the correct clothes and properly equipped. Look in their school bags, check homework diaries and communicate with your child's teachers. Show your child, by your interest, that you value their education.

Q.9 My child is trying to avoid coming to school. What should I do?

Contact a member of staff immediately and discuss your worries. Your child could be avoiding school for a number of reasons:

- Difficulties with school work
- Friendship problems, etc.

In some cases, you may find it helpful to discuss the circumstances of your child's difficulties with the Education Welfare Officer, based at Woodcroft Primary School or the Attendance Team - Mrs Hurley or Mr Russell. They hold bi-weekly drop in Attendance Surgeries and are here to help.
